ALX Foundations: Milestone 15 Worksheet

SECTION A: Website

Step 1: Website URL

Please share your website URL. Please triple check that there are no typos, and that the link works!

Step 1: URL
https://martin36449.wixsite.com/mrtnomwenga

Step 2: Changes

Please list at least 3 updates/changes that you have made to your website since last week (not including adding your elevator pitch.)

Step 2: Changes
1. Changed some images to make the website look more cohesive.   2. Added a map for my location.   3. Added a contact form by the map.

SECTION B: Presenting Your Website

Step 3: Feedback from Your Peers

Share your website with your peers! Take notes on what they like about your website, and what can be better.

Step 3: Feedback from Your Peers

A. What are the top 4 things your peers like about your website?
     1. The colour scheme is very professional.
     2. The font is easily readable and professional.
     3. The website is very easy to navigate.

> 4. The images were not distracting from the text.
>
> B. **List 4 things that your peers are suggesting that can make your website better.**
>   1. Make the links and buttons more obvious as to what they do/go.
>   2. Add character to my about me section.
>   3. Make the images fit the page better.
>   4. Fix some spacing issues especially with the nav bar and footer.

STOP **Please go back to Canvas and continue with your learning content. You will be prompted on when to return to complete Section C.**

SECTION C: Skills Map

Step 4: Skills Map

Please share the URL of your updated skills map here. IMPORTANT: Please make sure the URL works and is visible to anyone with the link.

Step 4: Skills Map URL
